Indoor
Our indoor enclosures are fully climate controlled 4’ x 5’ areas with grates covering the ceramic tile floors. All pets boarded indoors are exercised individually both morning and evening in one of our grassy play yards.

Outdoor/Outdoor
The fully climate controlled indoor areas measure 4’ x 5’ on the inside and each run has an outdoor concrete patio measuring 4’ x 10’. A doggy door allows access to the outdoor patio anytime the pet needs to use the bathroom. The doggy doors are accessible during the day, and at night the doors are closed for the dogs’ safety and temperature regulation.

Luxury Suites
The Lamborghini Suite is our largest at 16’ X 16’ with a large race car bed and lots of fluffy bedding. Our smallest suites are 4’ X 8’. Each suite contains a internet camera for our concerned pet parents. Each suite is individually decorated to make it feel more like home. Some suites have a doggie door that lead to an individual patio for lounging. Each guest is let out to a grassy play yard three times a day.

King Size Runs
Our king size runs are twice as large as a normal run to accommodate larger breed dogs as well as multiple pets.

Buddy Slumber Party (The latest in cage free boarding.)
The latest in cage free boarding. Have your pampered pooch sleep in our spacious Daycare room, with a few friends from Doggie Daycare. Our nighttime attendant will monitor your pet, to insure safety and an overall fun environment. Cameras allow you to observe your pet snoozing from anywhere in the world.

Special Care Unit
Our special care unit is for our geriatric companions who need extra special attention. Our special care unit is situated in a quiet wing with no loud dogs allowed. The special care package includes mounds of fluffy bedding, special feeding (if desired), a moonlight bathroom break, and medications administered as prescribed. Additional $7 pet/day.

Toy Town
This is a special area designed for our tiny guests. It consists of both indoor and outdoor outdoor facilities where there are no big dogs allowed. We recommend Toy Town for pets weighing less than 12 pounds, and each pet is exercised in an adjoining play yard twice daily.

Outdoor
Our Outdoor enclosures measure 4’ x 12’ and include a dog house. The patios are completely covered and protected from rain and snow, with large over-head fans in place for summer-time cooling. Pets are exercised twice daily in a grassy play yard.

Kitty City
Kitty City is for cats only. This room is located off the front office and is completely isolated from indoor/Outdoor areas. Mounds of fluffy bedding, special feeding (if desired), a moonlight bathroom break, and medications administered as prescribed. Additional $7 pet/day.
